## Henley Passport Ranking 2022

The Henley Passport Index is the original ranking of all the world's passports according to the number of destinations their holders can access without a prior visa. Originally created by Dr. Christian H. Kaelin (chairman of Henley & Partners), the ranking is based on exclusive data from the International Air Transport Association (IATA), which maintains the world's largest and most accurate database of travel information. It was launched in 2006 and includes 199 different passports.

**India** is ranked 87th on the list of the world's most powerful passports in 2022

Three Asian nations **Japan, Singapore and South Korea** bagged the top three positions on the list,
