Dear Rashmi,

How are you? I think everything is going on well there. As I told you in my last letter day before yesterday there was a function to honour shankar who had bravely helped the police to catch the thieves.

Everybody praised him for his presence of mind and cleverness. And the chief guest suggested all of us to adopt such qualities.

I am very happy for him because he is my best friend. Convey my regards to everyone.

Yours affectionately

Rekha
